

**REMARKS**

Claims 1 through 28 are pending in this Application. Claim 11 is currently amended. As will be apparent, no new matter has been introduced and no new issue has been generated as the present amendment to claim 11 merely addresses a formalistic issue identified by the Examiner. Accordingly entry of the present Amendment and favorable consideration is solicited pursuant to the provisions of 37 C.F.R. § 1.116.

**Claim Objection**

The Examiner has objected to claim 11, identifying an informality and courteously suggesting remedial language. In response and consistent with the Examiner's suggestion, claim 11 has been clarified by reciting "by activation of the at least one widget", thereby overcoming the stated basis for the objection. Accordingly, withdrawal of the objection to claim 11 is solicited.

**Rejections under 35 U.S.C. §103**

The Examiner rejected claims 1 through 4, 6 through 14, 16 through 22, and 24 through 28 as obvious under 35 U.S.C. §103(a) based on *Ferris et al.* in view of *Burgess et al.*, and claims 5, 15, and 23 as obvious under 35 U.S.C. §103(a) based on *Ferris et al.* in view of *Burgess et al.* and ETS 300 401 – "Radio Broadcasting Systems; Digital Audio Broadcasting (DAB) to Mobile, Portable, and Fixed Receivers, 2<sup>nd</sup> Edition.

These rejections under 35 U.S.C. §103(a) are traversed for reasons expressed in the Appeal Brief submitted concurrently herewith. As set forth in the Appeal Brief, the imposed rejections lack the requisite factual and legal bases to support the obviousness conclusion under

35 U.S.C. §103(a). Accordingly, the Examiner is urged to reconsider and withdraw these rejections.

Based upon the foregoing, it is apparent that the imposed objection and rejections have been overcome, and that all pending claims are in condition for allowance. Favorable consideration is therefore solicited. If any unresolved issues remain, it is respectfully requested that the Examiner telephone the undersigned attorney at 703-519-9954 so that such issues may be resolved as expeditiously as possible.

To the extent necessary, a petition for an extension of time under 37 C.F.R. § 1.136 is hereby made. Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to Deposit Account 504213 and please credit any excess fees to such deposit account.

Respectfully Submitted,

DITTHAVONG MORI & STEINER, P.C.
